

(Grandview, WA) - Grandview's Cub Scout Pack and Scouts BSA Troop will be holding recruiting nights and seeks all interested youth and their parents to attend.

Cub Scout Pack 643 will hold a community-wide recruitment on Tuesday, September 24th at 7:00 PM at the Grandview Community Center. All youth, boys and girls, in grades Kindergarten through fifth grade are encouraged to attend.

Scouts BSA Troop 643 will hold their community-wide recruitment on Tuesday, October 1st at 7:00 PM at the Grandview Community Center. In addition to a boys only Troop, they will be forming a girls only Troop as well. All youth ages 11 through 17 are encouraged to attend.

Both units are seeking adult leaders to help with the programs. Spanish speakers are urgently needed for the Cub Scout program. Both men and women over the age of 18 are needed. The programs for Cubs are very easy to do and do not take a lot of time.

The Troop level programs are seeking people interested in the outdoors and who, themselves, are willing to learn Scout skills. No prior Scouting experience is required. Enthusiastic women are needed for the new girls-only Troop.

The programs are sponsored by the local American Legion Post. The girls-only Troop will be an addition to their sponsorship.
